CLASS 302 BAPTIST DISTINCTIONS III – GENERAL

Introduction

This is the third section of BAPTIST DISTINCTIONS with the emphasis on General topics. As we move the students along in self-directed work, the amount of information in the syllabi becomes less detailed and allows for more class discussion and self-study.

The Lessons that follow will provide a starting point for the classes. The teacher can do the study himself, study in class, or assign the study to the students. The teacher can also adjust lessons as he is led of God.

Connection to Love Commandment Doctrine

Every class must be connected to Jesus' great commandment, for this is the way of the Lord. We understand Jesus built his church and gave himself for it. He loves the church and cherishes and nourishes his church. He washes her with the water of the word. These outlines are taken from the Husband's words.
